Always Plotting: A Writer's Life

by

Ann Bernath

Author

Long-time Duarte resident Ann Bernath has just become a published author. She will share her writing journey over the past half-century, and answer the questions she is most often asked: What do you write about? Where do the ideas come from? What's your process? What do you like about writing? What do you mean by "always plotting"?

Sunday, April 14, 2024

3:00 PM
